VOL. 31 BARIUM SPRINGS, N. C., NOVEMBER 1952 No. 1

Special Commission Reports to Synod

The full text of the Report to the Synod of North Carolina by the Commission appointed to study the situation at the Presbyterian Orphans Home at Barium Springs is herewith given:

"Pursuant to your appointment and authorization at the meeting of Synod September 2-4, 1952, at Davidson, North Carolina, your Commission met and organized itself on September 3, 1952. The Minutes of that organizational meeting will be included in the full record of Commission proceedings.

A second meeting of your Commission was held in the First Presbyterian Church of Statesville, North Carolina on September 17, 1952. At this meeting all interested parties and persons who had asked to be heard by the Commission and others whom the Commission felt should be heard were given a hearing by the Commission. The full record of this meeting, together with all written statements and pertinent papers, are part of the full report of the Commission and will be filed with Synod's Office.

A third meeting of the Commission was held in the First Church of Greensboro, North Carolina on October 8, 1952. The full Minutes and all pertinent papers presented at this meeting will be incorporated in the Commission's full report to be filed in Synod's Office.

At this meeting, the following resolutions were adopted as the action of the Commission in its disposition of the business referred to it.

The Commission finds that the present unfortunate situation stems primarily from a basic weakness of structural relationship between the two autonomous bodies, namely, the Presbyterian Orphans' Home, which is responsible to the Synod of North Carolina, and Little Joe's Church, which is responsible to Concord Presbytery; and the failure in prior years to properly define the joint and several areas of responsibility and authority of these two autonomous bodies.

Therefore, in seeking to clarify this unresolved situation, the Commission unanimously adopted the following resolutions:

RESOLUTION I: The Commission finds that the charter states that the title to the proprety is vested in the Board of Regents of the Presbyterian Orphans' Home at Barium Springs, acting for the Synod of North Carolina.

RESOLUTION II. The Commission affirms that the Board of Regents of the Orphans' Home un-

THANKSGIVING

A high school football player on a visiting team turned in the doorway of the large dining room and looking over the group of students who had beaten his team in football and then provided grand hospitality at the dining room for the evening meal, said, "I am proud to be a Presbyterian". Presbyterians can be proud of Barium, its history, its campus, and especially the boys and girls who have lived here and live here now. They have learned how to play hard and fair, to be friendly, and to practice good sportsmanship. From the time they arrive until they leave they are in the atmosphere of Christian leadership encouraging them to follow Jesus Christ.

At Thanksgiving each year the Presbyterians of the Synod of North Carolina make their investment in these boys and girls. For sixty-one years the Churches have been taking pleasure in making contributions to, and pride in the products of, the Home. As we head toward the century mark, Presbyterians will continue to provide for the needs of Barium.

The Synod is asking $100,000.00 for Thanksgiving which is nearly two-thirds of the total askings of the Synod for the year. Last year's offering came nearest to the goal set. Let's make it this year! To do so Churches, Sunday Schools, Bible Classes, Men and Women's groups, and individuals from all over the Synod will have to give and get others to give. The bills can be paid only if the money is sent in. What can you do to help?

Bible Story Books Free to Teachers of Children

A Christian friend offered to send free to teachers of small children a copy of that fine and much loved Bible Story book, "First Steps for Little Feet in Gospel Paths", by Charles Foster.

This is our Christian friend's special way of helping to sow the seeds of God's word in the hearts and minds of little ones. "Train up a child in the way he should go: and when he is old, he will not dpeart from it." (Prov. 22:6).

If you are a teacher of small children in Sunday School, public school, kindergarten, etc., and will prayerfully use this fine book in teaching the little ones, you may write for

Church Plans To Be Completed

The Board of Regents, meeting in the regular Fall session, instructed the special committee on building the new Church to have its plans completed and presented to the Executive Committee as soon as possible. This action was taken in line with the report of the Commission appointed by the Synod to advise the Regents and Session concerning the responsibility of each in the Christian nurture of the boys and girls of the Home. Now that the principle for joint control has been established, the work which has been anticipated for many years can be begun with the new Church building being erected on the campus, and the Church organization cooperating with the Regents in providing Christian nurture for the boys and girls of the Home.

Seventeen of the twenty members of the Board were present, including two new members who were welcomed by the president, Mr. W. E. Price. Mrs. C. A. Wyche of Roanoke Rapids succeeds Mrs. W. C. Alexander of Durham who has served her two terms and was ineligible for re-election. Mrs. L. Clayton Herring from Rose Hill was elected to fill out the unexpired term of Mrs. P. R. Smith of Wilmington.

The report of the superintendent was heard and also that of the treasurer. Other routine matters were attended to by the Board and special matters of buildings planned for and to be erected were left with the Executive Committee. This committee hopes to hold a special meeting within thirty days to make specific plans for the use of some designated funds for a Children's Village. This committee will hold conversations with the donors subsequent to this meeting and begin as soon as possible to erect some new buildings on the campus.

Woman's Building

Commencing with the second grading period, our school is in full swing, and everyone is trying hard to pass their work.

Several weeks ago, we had a group of ladies who came to visit the campus, from the First Presbyterian Church in Belmont. That night we had a surprise in store for us, because Circle No. 2 of Belmont First Presbyterian Church had left each of the girls two dollars, and also some extra money which was spent for records. The girls were thrilled especially since each had her own personal name on the envelope that she received.

When report cards came out for the first time this year our girls rated high on the Honor Roll. There were fourteen on the Honor Roll, and eight with honorable mention.

Recently our girls were permitted to go see a game between Statesville and Barium, and next week we shall be permitted to go to Mooresville to see the game there. Another recent game was between Barium and Valdese, and was played at Barium. The team remained for supper.

As usual, Davidson has been most kind to invite us down to see some of their games, which we appreciate very much.

Football season is about over, and then comes the favorite sport of both boys and girls, which is basketball.

This last week we had the honor of having the Regents visit our campus once again. While they were here we were assured that a new Little Joe's Church would be erected, with class rooms. At present we are having to hold Sunday School in our school buildings, and with the new plan it will make going to Sunday School much more pleasant and convenient. We were also assured that Mr. McClure would remain as superintendent, and we know that we shall have a wonderful year working for and with him.

On Friday, the thirty-first, spooks and witches held forth. Ours was not a case of tricks, but treats, because everyone was very nice to us. When we came in from our visit to the different homes, we received our last treat of the evening, which consisted of an orange drink, with candy and cookies. All in all it was fun with no harm done.

November the first, marked a pleasant time for the Glee Club which was invited to Mooresville by the Kiwanis Club, who were responsible for their going. The Glee Club had a wonderful time hearing the Boy'c Choir from Charlotte. On November the third, the Glee Club goes to Statesville to be the guests of the First Presbyterian Church, which will be an enjoyable occasion, because we always enjoy an outing.

Sunday, November second, we had the pleasure of having sixty-five friends from Yadkinville with us, and hope they will visit us again soon.

—Helen Baucom.

Annie Louise

We're again trying to tell you about the past month at our building. We have been doing many things during October. One of them has been studying as you can see by the number of honor-rolls in the Messenger.

Our football season is almost over with our last game coming up next week at Mooresville. Basketball will start the last of November and we hope to win most of our games.

The leaves look so pretty now, but they're falling so fast that we believe we re going to have winter before long. We really had fun Halloween! All the spooks came and scared us under the tables and made us scream. Saturday night we had a real nice Halloween party with many good things to eat, and many decorations. We played games and dressed to scare each other. We really didn't need the masks.

We went to see the movie "Because You're Mine" a few days ago and really enjoyed it. We like Musicals.

A Circle from Mooresville was so nice to us one night when they came to our cottage and gave us a big supper party. We had all kinds of good food and really appreciate the ladies'kindness.

Thanksgiving and Christmas will be coming before we expect them. The time passes so quickly when we're busy. We all love Santa. He's so jolly and cute!

One of our big girls was still talking about her vacation the other day and said something about the "muffin" (muffler) on her brother's car.

We have been getting our new fall dresses at the sewing room and some of us get clothing boxes from churches, Circles, or people who clothe a certain child. We get many cute clothes from the Circles and from our sewing room.

The trees in our yard like to shake themselves so we'd better grab a rake, see you next month.

—Annie Louise Girls.

Synod's Commission

(Continued Frome Page One)

der its charter and the general policy of the Synod has the complete responsibility for the physical, educational, moral, and spiritual life of the children of the Home.

RESOLUTION III. The Commission holds that the organization, continuance, or dissolution of the church at Barium Springs, known as Little Joe's Church, was and is a matter of responsibility of the Presbytery of Concord; and that the Commission concurs in the statement made before it by Chairman W. E. Price of the Board of Regents: "It is not in our authority, nor is it our prerogative, to dissolve a church that belongs to the Presbytery of Concord. They have the authority over the church and the Synod has authority over us as the Board of Regents."

The Commission further holds that by virtue of the responsibility vested in them by the Synod and by their charter, the Board of Regents of the Home must have an equal voice in the administration of Little Joe's Church or any organized church related to the Orphanage as to the calling and support of the pastor of said church and as to the program of Religious Education affecting the children of the Orphanage. Therefore, we request the cooperation of Concord Presbytery in giving to the church related to the Orphanage such special status as will enable the Board of Regents of the Orphanage to exercise such equal authority.

In the event Concord Presbytery finds it impossible to concur with this request, the Commission would remind the Board of Regents that they have the complete responsibility for the physical, educational, moral and spiritual life of the children of the Home as stated in Resolution 2.

RESOLUTION IV. The Commission further reminds the Board of Regents that by the provision of their own charter, all funds contributed to them for specific purposes must be used for the purpose for which they have been contributed and by their own action as of October, 1941, the Board of Regents specifies that all funds received for the church building at Barium Springs and all future memorial gifts, not otherwise designated, should be placed in a memorial fund for the building of a church at Barium Springs.

Signed by the Chairman by order of the Commission.

Season To Close With Mooresville

The seven seniors in the starting line-up and all the seniors on the squad will don their togs for the last football game to be played for the Tornado team. This last game of the season will pit the Barium Tornadoes against the Mooresville team at Mooresville. The members of the squad seem determined to put this last one in the win column. Having started out with three wins in a row, the team has now sustained four losses in a row. One of these was a non-conference game with Valdese which makes the season average before this last one .500. If the one with Mooresville can be added to the win column that will give a little better than .500 average and will be good for a very small squad.

With only 36 boys in High School, coaches Calhoun, Jackins, and Guy have found it difficult to field a squad in good shape from Saturday to Saturday. With few replacements at the beginning of

Baby Cottage through High School

Two boys and girls from each cottage represent the Barium family, and speaking for all express their delight in being a part of the big Presbyterian family of the Synod of North Carolina. The smallest ones hope by your help to be seniors some day. How much will you invest?
